Great class discussions and activities, made you want to go to a 4 hour class, and kept all students motivated to do well in the classroom, workplace, and personal lives.

Mr.Alleruzzo is a fantastic instructor. His class is challenging and far more interesting than I had imagined given the subject.

Mike Alleruzo was a fantastic instructor. He showed great enthusiasm in class. I really enjoyed this class

Professor Alleruzzo was definately a breath of fresh air. He made you want to come to class just to see what new stories were going to be told or learn something new about yourself. You can definately tell that Professor Alleruzzo enjoys what he does and it reflects in his teaching. I really enjoyed class with him this semester.

The professor's method of teaching was very effective. The way he handled time was an excellent way of holding the class's attention, due to the fact that normally, students tend to lose interest after about 50 minutes.
